<p>Program Description (written by Provider)</p>																			
<p>Since 1986, ABC Phonetic Reading School's Copyrighted programs and staff have provided private and public tutoring and remediation in Reading, Writing, Language Arts and Math to tens of thousands of K-12 students. ABC's success with our students is based on our method of direct one-on-one or small group instruction, using ABC's Copyrighted multi-sensory programs, materials, and our staff of trained Masters level Teachers. Students typically receive 20 to 24 hours of instruction (based on per pupil funding), two to five times a week, for one to two hours per session. All ABC materials are aligned with State Standards. ABC has been a State Department of Education Supplemental Service Provider in Arizona since 2003. Se Habla Español</p>
